Inexpensive Ideas to Add a Festive Flair to Your Home

These tips will ensure there's no place like your home for the holidays

With November upon us the holiday season has clicked into full gear. Whether it seems early to you or not, it's always good to prepare ahead of time when it comes to your home. However, not everyone can afford to lay out the funds to go on a holiday shopping spree each year. Here are a few tips to brighten up your holiday décor without breaking your budget.

Nature's Touch

Can't afford to buy a Christmas tree? You can still enjoy the intoxicating smell by using some evergreen branches in your decorating. You could also consider picking up some holly, ivy or mistletoe at a local garden centre. Mix in some lights, pine cones, bows or ornaments and you have a perfect topper for your mantle, cupboards or dressers. Arrange some of these plants in a vase covered in a simple Christmas wrapping paper to make a stunning centrepiece for less.

Faux Gifts

If you're the kind of person who saves old gift boxes to reuse, then this decoration is perfect for you. Take those gift boxes sitting in storage (or find them for cheap at the dollar store) and wrap them with all the trimmings. Another idea is to use blank canvases and wrap them in bows like a present. Several well-placed "gifts" can be an easy way to decorate a large space for little cost.

Candy Wreath

The beautiful wreath that you see on TV can cost a bundle. Create your own unique wreath by using flat red and white peppermints glued onto a foam wreath. You can fill in the gaps with cinnamon hearts or add a splash of green with M&M's. Use a ribbon to hang on your door or in the window.
